Dear Sir.

At the first of the year when I had the pleasure of applying for membership in the A. N. S., my principal object is so doing was to obtain the Journal. It was my understanding that you would endeavor to send me the issue for the fourth quarter of 1911. I have not received it nor any of the subsequent numbers.

May I trouble you to look into this matter and forward such numbers as have been published, and also place my name where it will not be overlooked in sending out future numbers.

Yours truly

Dear Mr. Flake:-

Your letter of August 12th has just been received, and I have written to the Editor of the Journal to forward you the fourth number of 1911 and the two numbers that have so far been published in 1912. I do not understand how this omission can have occurred as I make it a point immediately on the election of the member to send his name to Dr. Marvin to be put on the mailing list.

Greatly regretting that this should have occurred, and with kind regards, I am,

Very truly yours,

Dear Sir,

I am not able to conjecture how your records of membership are kept, but I do believe my name is not properly enrolled. As you will recall I joined the Society at the beginning of the present year but received no copies of the Journal until I wrote for them. The last issue, I am told, has been out for some time, but I have not received it.

Another thing, the enclosed notice of Nov 16th meeting came duly to hand. It is marked "compliments of sec". It is my impression that I am free to attend any meeting of the Society but have no vote.

Shall be glad to hear from you concerning the above,

Yours truly

My dear Mr. Belden.

I have your favor of Dec. 21st and note your reminder about annual report of the Paper Money Committee.

I have been very much out of touch with this subject during the past year, owing to ill health and other causes, and therefore do not feel qualified to make a report of any value or importance to the Society.

In view of these conditions, will you kindly ask Mr. Wood if he will write the report for this committee, and I will sign it, if he sends it to me.

I would also like to suggest that some one else be designated as chairman of this committee for the coming year.

With kind regards and wishing you the compliments of the season, believe me,

This class of membership is limited to one hundred and fifty, and it consists of a preferred list. One must first be an Associate Member before becoming a Fellow. I am therefore enclosing an Associate Membership application blank, and should you care to have it acted upon at the next Council meeting, which is to be held on Friday, I would be glad to receive it duly filled out. Later on, perhaps, a transfer to the Fellowship class could be arranged.

Dear Mr. Blake:

I am sending you, under separate cover, the catalogue concerning which you spoke to me last evening. The name of Betts does not appear on it, but through Attinelli's book we learn that this was his collection. It was sold by Cogan rather than Frossard - the latter did not begin until 1878 - 9.

I hope this will give you the information you desire.
